

TREASURY
EXCELLENCE
AS STANDARD

BECOME AN ACT APPROVED ACCREDITED UNIVERSITY

Why are treasury and cash management so important in aiding post-COVID business and economic recovery?

It is essential for:

- finding the money to run the business
- getting money into the right place at the right time
- anticipating problems and managing risk along the way.

Treasury is now front and centre in enabling businesses to execute a recovery and growth strategy.

DID YOU KNOW?

The Association of Corporate Treasurers (ACT) is the only professional treasury association with a Royal Charter.

- Global benchmark for treasury excellence.
- Internationally recognised qualifications.
- Defining standards.
- Championing continuing professional development.
- Authentic voice – supporting and leading treasurers of the future.

The Association of Corporate Treasurers accredits a number of university finance degrees and has relationships with universities around the world - providing students with fast-track routes onto the ACT qualifications.

WHY BECOME AN ACT APPROVED UNIVERSITY?

ASSOCIATION OF CORPORATE TREASURERS

ACCREDITED UNIVERSITY

You will benefit from:

- discounts for students to access our online qualifications and learning support
- student access to the ACT membership as part of our eAffiliate programme

The Association of Corporate Treasurers:

ABOUT THE ACT

The [Association of Corporate Treasurers \(ACT\)](https://www.act-treasurers.org/) is the only professional treasury body with a Royal Charter. We set the benchmark for international treasury excellence.

Our competency framework sets the standards for the skills, knowledge, and behaviours treasurers, or those working with treasurers, need at each stage of their career. Achievement of these standards is measured and recognised by our globally delivered suite of qualifications.
