“The annual ACT event is nothing less than the Oscars for the teams closely related to or managing the treasury process. It is very well designed and executed, as well as being a great chance to interact with other peers from the industry and our banking partners.”

Rajesh Garg, Group CFO, Landmark Group

“I found this year's conference one of the best so far, many corporates attended, which led to some great networking and really topical Treasury discussions!”

Roshun Tulkens, Group Treasurer, Mantrac Group.

“Great conference of like minded professionals, coming in with the objective to share and learn. This combination is very unique to ACT, hence making it a event I look forward to”
