## HEAR WHAT OUR DELEGATES HAD TO SAY...

A must-attend event for professionals working in and with treasury

*Deputy Head EMEA Corporates, Fitch Ratings*

A key event in the treasury calendar, providing current and insightful discussion on the challenges faced by treasury professionals

*FX & Liquidity Manager, Scottish Power*

The conference is my yearly battery recharge for ideas and potential next steps...

*Head of Treasury, Travel Counsellors*

The networking opportunities at the conference were truly outstanding. It's rare to find such a concentrated group of treasury professionals and service providers, from corporate finance leaders to public sector experts, all in one place and so willing to engage, collaborate, and share insights. Whether it was during breakout sessions, roundtables, or informal gatherings, every conversation was valuable.

*Treasury Director, IHG Hotels & Resorts*

Preparations are already underway for the next ACT Annual Conference.
