

## CREATE A JOB, CHANGE A LIFE

Dear ACT members,

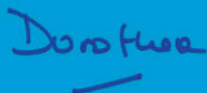

Last year, thanks to your generosity, we raised an amazing £62,000 to help fund a village in Kenya.

Your donation is already at work creating businesses and jobs the village of Ntirititi, some 250 km northeast of Nairobi.

Ann Wamwea, your Hand in Hand trainer who will support Ntirititi's villagers on their journey from subsistence to success says, "I have already met several of the local residents. It is really encouraging to see how enthusiastic they are to learn and to work their way out of poverty."

This year we hope you will be even more generous and enable us to reach our 2019 target of £70,000 to help fund another, larger, village in Kenya.

To find out more visit: **ACTvillage**.

CEO | Hand in Hand International

## MEET WILTER

Before joining a Hand in Hand Self-Help Group in Bomet County, Kenya, Wilter and her family of three could barely afford breakfast. "Now we get fresh eggs and tea," she says. Hand in Hand trained Wilter to expand her small tailoring business helping her win a contract to make uniforms for her 8-year-old daughter's primary school and bringing her monthly household income to KES 30,000 (GB £229).

# 4,203,662 jobs so far worldwide

Hand in Hand fights poverty with jobs. Network-wide, we nurture the creation of more than 1,150 jobs a day, seven days a week.

## HELP FUND THE ACT VILLAGE IN KENYA

We are delighted to be the ACT's charity partner for the second year running.

This year the ACT will again help hundreds of people like Wilter – a whole village, in fact.

If we raise £70,000 tonight for the second ACT village, we will:\*

Train 603 people

Create 422 businesses

Create 549 jobs

Improve 1,689 lives

You can donate in the following ways:

- **Before the Gala: preview and bid on the auction lots via the [here](#).**
- **At the Gala: bid in the silent auction, buy a raffle ticket or simply donate.**

Let's give people the skills they need to create their own success in the ACT Village in Kenya.
