### **Treasury Team of the Year Nominations Form**

*NOTE: A separate form must be completed for each team nominated.*

**Email to: [actme@treasurers.org](mailto:actme@treasurers.org)**

Nominate the Treasury Team which you most admire!

We are looking to identify the corporate treasury team which is most admired by its peers and its advisors. You can nominate on the basis of the broad achievements of the team across the main areas of treasury - cash management, corporate finance, risk management, treasury operations and corporate governance - or because of one or two specific achievements in any one area. The team must be based or have its head office in the Middle East region.

#### **Rules:**

- Anyone in the treasury community is entitled to nominate a team in each category.
- You must declare if the team is your client.
- Only one nomination per person.
- You can nominate your own treasury team.

<b>All responses will be treated confidentially and used for the purpose of the ACT Middle East Treasury Awards only.</b>
