Welcome to the ACT Summer Keynote Address

This year's address will be delivered to you by **Tony Lomas**, Partner, **PwC**.

This event will offer a rare opportunity to hear first-hand from Tony Lomas who led the administration of Lehman in the UK, since the investment bank's collapse into insolvency on 15 September 2008. Significant lessons have been learned, in the UK and abroad, as the crisis took hold and the wind down evolved. Tony will share some of his insights and experiences and later, a panel made up of corporate finance professionals, will engage in debate.

This event will allow you to ask thought-provoking questions of Tony and the panel and provide the chance for you to network with your peers.
