### **ACT QUESTION TIME**

Our panel of business and finance leaders will share their views and take your questions on the big political, financial and economic issues of the day during this insightful and interactive debate. Themed around the strategic role of the treasurer and the wider world of business regulation, we will be putting the following types of questions to the panel:

- How is the treasurer's role and influence within the business evolving?
- What is the contemporary treasurer looking for in government policy and regulation?
- How can the strategic treasurer contribute to business growth and economic prosperity?

Help shape the conversation by submitting your questions in advance to **events@treasurers.org** or tweet **@actupdate** using **#qtact** 

### **Question Time organiser**

The Association of Corporate Treasurers (ACT) sets the benchmark for international treasury excellence.

As the Chartered body for treasury, we lead the profession through our internationally recognised suite of treasury qualifications, by defining standards and championing continuing professional development.

We are the authentic voice of the treasury profession representing the interests of the real economy and educating, supporting and leading the treasurers of today and tomorrow.
