ACT Annual Conference
2018

A low-angle, upward-looking perspective of several modern skyscrapers reaching towards a blue sky with scattered white clouds. The buildings are made of glass and steel, with varying architectural styles. A small airplane is visible in the sky between the buildings.

What your bank needs

A close-up photograph of a small damselfly resting on the tip of a human finger. The damselfly is green and yellow with transparent wings, and its long, thin abdomen extends downwards. The finger is positioned on the left side of the frame, with the damselfly perched on the very tip. The background is a soft, out-of-focus light brown.
