

EVERYTHING YOU NEED TO SUCCEED

By choosing to complete the Certificate in Treasury you're on your way to becoming a trusted treasury professional, relied upon for your operational competencies and technical know-how. You'll add value to the business or your clients by offering practical guidance to colleagues, while driving continuous improvements.

The course comprises of five units. There is one, two hour, examination at the end of each of the five units. Practice assessments are part of your online learning programme to assist in your preparation and familiarise yourself with the types of assessment questions you can expect.

Give yourself the best chance of assessment success by joining one or all of the learning workshops.

There are three options:

- Classroom Plus+
- Webinars and Podcasts
- Intensive Revision

Explore this brochure to see which of the options will work best for you.

CLASSROOM PLUS+

Unit 1: The context of treasury

Top up your online learning by studying through ACT Learning Academy's Classroom Plus+ programme. This programme is flexible and interactive to help you learn on the go, online and through a traditional classroom environment.

Give yourself the best chance of assessment success with this programme of study – starting by listening to five topical podcasts on the go, then attend the three day workshop covering selected topics in unit 1 and finally watch a webinar on a numerical topic to get you assessment ready. Supported by an expert tutor, sessions are interactive with case studies and activities to reinforce your knowledge.

It doesn't end there, after each session your tutor will be on hand to answer any additional questions you may have and you'll have access to the 'Ask the tutor' email service for further queries.

Tutor Doug Williamson
Paul Cowdell

Package 3 workshop days
1 live webinar
5 podcasts

Price £895
