

CREATE A JOB, CHANGE A LIFE

Over the last two years, thanks to your generosity, Hand in Hand has raised an amazing £120,000 to help fund two villages in Kenya.

Your donation is already at work creating businesses and jobs in the villages of Ntirimiti, near Mount Kenya, and Ngulini, some 100km east of Nairobi.

This year, we hope to raise £20,000 for our Fund For Fearless Women. The Fund will support women in East Africa and Afghanistan to change their world for the better – to challenge the accepted way of doing things and the cultural norms that say ‘no, you can’t’ and ‘no, you shouldn’t’.

On behalf of all of them, thank you. And here’s to a successful ‘NOT’ the Annual Dinner.

CEO | Hand in Hand International

Ann Wamea, Trainer, at an outreach meeting | Ntirimiti, Kenya

MEET ROSALINE

Even though she recognised the importance of providing her children with an education, Roseline Ngeno hurt every time she had to pay their school fees.

That all changed once Roseline, 40, joined Hand in Hand. Empowered with the knowledge of how to run a business, she has been growing potatoes and selling chips that people can’t stop eating.

“I now feel good because I have money,” Roseline says.

“When my children want clothing, I have money. I calculate my profits and I keep them and use them well.”

4,571,375 jobs worldwide (so far)

Hand in Hand we can help women beat the odds and succeed as entrepreneurs. The money they earn and the confidence they gain changes everything. Whole families and communities rise with them.

SUPPORT THE FUND FOR FEARLESS WOMEN

We are delighted to be the ACT’s charity partner for the third year running.

This year, the ACT will help hundreds of women like Rosaline through our Fund For Fearless Women.

If we raise £20,000 tonight we could:*

Train 156 women

Create 125 businesses

Create 153 jobs

Improve 526 lives

You can donate in the following ways:

- **Before ‘NOT’ the Annual Dinner: preview and bid on the auction lots [here](#).**
- **At ‘NOT’ the Annual Dinner: bid in the silent auction, enter the prize draw or simply donate.**

Let’s give people the skills they need to create their own success from Afghanistan to Africa.
